# Job Boards

- Physical Board near conference registration desk for messages, posting resumes, and posting available positions
- New Electronic Hydrogen and Fuel Cell Job Board
  - This new service will include features for individuals and organizations to facilitate employment connections in the hydrogen and fuel cell industry.
  - [Hydrogenandfuelcelljobs.com](http://Hydrogenandfuelcelljobs.com)

# Features of the new Hydrogen and Fuel Cell Job Board

- **Job search control** – quickly and easily find relevant industry job listings and sign up for automatic email notification of new jobs that match your criteria
- **Easy job application** – apply online and create a password-protected account for managing your job search
- **Resume posting** – make your resume available to employers in the industry, confidentially if you choose
- **Saved Jobs** – come to the site and quickly save up to 100 jobs to a folder in your account so you can come back to apply when you are ready.
- **RSS Capability** – have new jobs come to your RSS reader immediately! Users with RSS readers will be able to receive new job notifications as updated.
- Best of all, the **Hydrogen and Fuel Cell Job Board** is available FREE to job seekers.
