

Most recently, Mr. Hinkle worked in the U.S. Senate, where he was a Brookings Fellow from the U.S. Department of Energy for Senator Byron Dorgan. In this capacity, Mr. Hinkle played an active role in the development of the recently passed Energy Policy Act of 2005 with a focus on hydrogen vehicles and fuels, energy efficiency, R&D, Indian energy and renewables, and clean coal. Additionally, he worked for the Department of Energy in various capacities for more than 25 years. Mr. Hinkle currently provides policy and legislative affairs support to TTC's clients including the National Hydrogen Association and the U.S. Advanced Ceramics Association.
